NEW HORIZONS**

THE HOD's DESK

Dear all,

The Department of Computer Science extends a warm welcome to all the students of the second shift.

As you know, a second shift has started in the department and the intake of students is now 180. Excellent infrastructure and resources are available in the department. The same are extended to the students of second shift as well.

We are proud of the progress of the department. The achievements of the students, alumni and the involvement of the faculty have played a vital role in the same.

The advent of computer technology in the last decade has affected the lives of human society the world over like nothing else has. Our students, I believe will enjoy the benefits of these ICT trends as well as be significant contributors to the same. Our department aims at cultivating an inquisitive attitude in the students, along with achieving academic excellence. We hope to see continued progress and development at the department.

We wish the students the very best in their pursuit of an academic degree at the Department.

-Prof. A.N.Muchrikar
