

Electronic Instrumentation Laboratory

Laboratory Name	Electronic Instrumentation Laboratory
Laboratory Incharge	Prof. Pratima Kulkarni
Instruments & Equipments	5 in 1 test labs, 9 in 1 test labs, Power supplies, signal generators, function generators, distortion meter, universal counter, DSO, LCR meter, CROs
Utilization of Laboratory	Semester I: 12 hrs/week S.Y. - Linear Integrated Circuits (Practical + Tutorial) Semester II: 16 hrs/week T.E.- Instrument and System Design S.Y.- Electronic Instrumentation and System Design
