Dear Sir / Madam,

I am happy to share that, your funding proposal submitted in the month of Dec-21, has been recommended by the external reviewers and hence approved by the college.

Title of the Proposal : Multimodal (Non-perfused and perfused) portable incubator for culturing cells

Duration : 2-Years

Total Funds : Rs. 2,00,000

The funds have to be utilised conforming to budget requirements specified in your proposal AND conforming to college rules and regulations.

You are also required to submit a progress report once in six months to R & D office. The progress will also be periodically reviewed by the college research committee. At the end of the financial year, 2-copies of the audited and approved statement of accounts need to be submitted. After completion of the project, the final technical report and final account statement are required to be submitted.

Thanks and warm Regards,
