➤ Student clubs

1) Mozilla Campus Club:

Mozilla Campus Club is a club dedicated to Open source development and community building. It is a club works to spread awareness on Open Source software. Mozilla Campus Club gives an opportunity to join the awesome world of open source where students have many opportunities to learn and grow in various fields, be it technical or non-technical

2) Aasamant- The Astronomy Club:

Aasamant is the official Astronomy club of Cummins College of Engineering for Women, Pune. Here, we have like-minded enthusiasts in Astronomy who learn about space and astronomical phenomena, work together to organize different events, conduct sessions, create podcasts, visit Astronomy related sites like IUCAA and GMRT, organize stargazing programs, and many such activities. Our curiosity and passion for astronomy bring us together.

3) TEDxCCOEW:

TEDxCCOEW is the TEDx organizing body associated with Cummins College of Engineering. Under the banner of TEDx, we organize TED-style events that foster intellectual growth and community engagement. Each event is independently organized but follows the same set of rules as the main TED conferences, ensuring high-quality and impactful experiences. Our mission is to bring together the brightest minds from within and outside our college to inspire, challenge, and connect through the power of ideas.

4) Artificial Intelligence and Computer Vision Society (AICVS) :

Club aims to introduce the students to techniques of AI and Computer Vision. Club aims to equip them with a primary skill set in Deep Learning and the knowledge to implement various algorithms and gain a good understanding of what happens behind the scenes. Club aims to

spread awareness about AI/ML and computer vision through workshops, seminars, guest lectures and competitions Society (AICVS)

5) Math Club:

The Math Club aims to empower students with mathematics and to help students explore and celebrate the world of mathematics by conducting various fun and engaging activities. It is a platform to provide opportunities for everyone to showcase, share and improve their mathematical skills.

6) Loop CCEW:

Team Loop is a Coding Club with the primary motive of creating awareness about Competitive Programming. The activities are designed keeping various Data Structures and Algorithms in mind. We conduct activities such as hosting Coding contests, volunteering sessions, and group discussions, for all years of our College. We also promote application-based learning of fundamental concepts by creating utility or game-based projects.

7) Google Developer Student Club:

GDSC Cummins is a university-based developers club, supported by Google. GDSC, organizes and curates events spread across the entire academic calendar, foster a sense of creativity, and aim to inspire young developers with like minds to collaborate, help each other, and grow to their fullest potential. Prospering and sharing Knowledge and technology through peer-to-peer learning has endowed and encouraged many to become exceptional developers by pulling out the best in them. By joining a GDSC, students grow their knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community. Our team welcomes you to join the ecosystem which propagates learning and teaching synergistically.

8) Finance and Economics Club:

The Finance and Economics Club (FiSOC) provides a platform for ardent students to come together to learn the intriguing world of finance and economics through seminars/webinars with industry experts and organizing debates and discussions to explore career opportunities in the financial sector.

9) Code Club:

Code club aims to improve your coding skills and enhance the culture of competitive coding. Code Club is a one stop solution for all your dynamic coding needs.

10) The Debating Society, CCOEW (TDSC) (Debate Club):

Debates help learners see the power of deploying rational, reasoned arguments and compelling evidence in action. The debating society thus promotes the art of debating, researching, interacting, and articulating one's thoughts and beliefs. Consequently, instilling skills such as public speaking, team spirit, and creative thinking

11) Dance Club- Insia:

The Dance Club 'INSIA', is a platform for dance lovers to showcase their talents. We proudly represent our College in various intercollege events, showcasing our passion for dance. In addition to representing our institution at intercollege events, we also perform right here on our campus for our fellow students. This club serves as a creative platform, fostering teamwork, discipline, and cultural appreciation.

12) Music Club- Swarashree:

The Music Club gives a platform for music lovers to showcase their talents. We have a strong team of enthusiastic and passionate women, ranging from singers, instrumentalists and coordinators. Through music mixing and video editing, instruments and singing, we are here to help you fall in love with music. Performances are online and offline, intra-college and inter-college as well.

13) Cultural Club- Kalawant:

A platform that encourages, educates and guides enthusiasts to participate in vivid theatrical competitions such as Purushottam Karandak and Firodiya Karandak. Along with state level and inter – collegiate competitions, the club also arranges workshops of industrial experts round the year. Any sorts of art forms such as painting, music, dance, etc are guided through and given an opportunity to represent Cummins college.

14) The Happy Hours:

The Happy Hours is a mental health club which is created with the deep understanding of the importance of mental health and well-being of college students and staff. The Happy Hours Mental Health Club is not just a club; it's a community of social support and understanding. We are here for each other, and together, we can promote happiness and well-being during our journey. We aim to create a campus where mental health is a priority, where we can openly discuss our challenges, and where happiness is a shared goal.

15) AVATRI - The XR Club:

Avatri aims to provide a platform for all students to pursue their passion for XR and game development. The scope of innovation in this field is huge and the club encourages students to bring various ideas to the table by letting imagination run wild.

16) Automation club:

Automation Club facilitates the students of all branches by providing an environment to give an overview of automation technology. The club aims to provide an interdisciplinary environment and bring together the student groups interested in robotics, control engineering, embedded systems, industrial automation, artificial intelligence, computer coding, machine learning and

other related technologies. The state-of-the-art facilities at the Club would play a vital role in the advancement of the robotics and automation field.

17) AlterEco Club:

At AlterEco, where we redefine engineering and emphasize human connection. Dive into the unexplored realm of green technology, merging engineering expertise for impactful change. Our concept prioritizes a holistic approach to tackle contemporary challenges. Join us in crafting a sustainable future through purposeful projects.

18) The Cybersecurity club :

The CyberSecurity Club aims to increase awareness of cybersecurity among the students and learn together about this upcoming domain.

➤ Professional Society Chapter Activities :

1) IEEE :

IEEE is the world's largest professional society dedicated to advancing technological innovation and excellence for the benefit of humanity. IEEE student branch of CCEW was established in 2002. IEEE student branch comes under IEEE Region 10, Asia Pacific Region and is attached to IEEE Pune section from 2010 after its formation. College encourages students to take IEEE student membership and the meritorious students are given 50% concession in registration fees from the year 2009. Various technical and non-technical activities are conducted under IEEE student branch. The activities include workshops, industrial visits, guest lectures, webinars, panel discussion, competitions etc.

❖ Events

- Guest Lecture -Journey to Apple: Leadership insights and creating Business Value
- Education Abroad and Beyond!
- Zero to Generative AI
- Workshops conducted on MS Excel for Data Analytics, NOSQL Database : MongoDB, Fuzzy Logic Inference, Neuro Fuzzy Systems, Big Data (Tall Arrays, Map Reduce , data bricks), R Programming for data analysis and visualization

2) IETE :

The objective of IETE Student Forum is to counsel the students in the emerging new opportunities and to plan, organize Technical Programs, Special Lectures, Workshops, Seminars, Symposia, and exhibitions for the benefit of students.

❖ Events

- Entrepreneurship Workshop

- Electronic Aptitude Test (EAT)
- Science Day Idea Competition in association with Institution Innovation Council(IIC)
- IETE Project Competition

3) ACM-W :

ACM-W aims to support, celebrate and advocate internationally for the full engagement of women in all aspects of the computing field. The focus of ACM-W is to inspire, motivate and encourage women to join the field of computing and eventually sustain and grow in the profession. Through its various activities, the organization facilitates the progress of women in computing-related work and education.

❖ Events

- Data Science and Analysis with Python and R - Online Workshop
- Distinguished Speaker Program: AI - The Key to Scaling Cyber Defence
- Tech Tesseract: Inter-College Hackathon
- Code It - Inter-College Coding Competition

4) SWE :

Society of Women Engineers CCEW is a chapter of Society of Women Engineers (SWE), a global non-profit organisation that empowers women engineers. SWE CCEW follows the ethics and guidelines set by SWE to encourage aspiring female engineers to explore their technical and interpersonal skills. SWE CCEW conducts multiple technical workshops, including during the annual college tech fest. SWE CCEW implements community outreach by conducting technical sessions via PDG (Program Development Grant), for underprivileged students.

❖ Events

- Great Minds Don't Think Alike – Embracing Neurodiversity
- Grey Project – Speed Mentorship Session
- Fun With Arduino - PDG event

5) CSI

CSI is an active national organization which stands on the strength of technically sound professionals and students. CSI offers seminars, workshops and technical events on ongoing trends. On this wonderful platform students organize and display the organizational skills and interact with technocrats in a way giving them a versatile exposure.

❖ Events

- Seminar on "Burn Prevention and Skin Donation Awareness"
- "Code-o-Fiesta" Intercollege coding Competition

6) ASME-CCOEW:

The ASME-CCOEW Student Chapter is a dynamic and professional subdivision of ASME, focused on promoting excellence in Mechanical and related fields. Our chapter consistently organizes a wide array of events, including industrial visits, webinars, seminars, and competitive activities. These events serve as platforms for students and professionals to enhance their knowledge, gain practical exposure, and network within the mechanical engineering community. By facilitating interactions with industry experts and academia, we aim to nurture the skills and aspirations of our members, creating a well-rounded educational experience that extends beyond the classroom for mechanical and allied branches.

❖ **Events**

- Internship Talk 4.0
- Reverse Engineering
- Engineer's Canvas
- AI/ML in Mechanical Engineering

7) **ISA CCOEW**

International Society of Automation being non-profit, professional association of engineers and globally tested provider of foundational standards, we at Cummins College of Engineering, Pune acknowledge and believe in the potential of ISA to build a better world through Automation. ISA Pune Section facilitated the holistic development in the field of Automation and provided necessary exposure for the development of our students through various activities and events. ISA Student Chapter got introduced in our college in the year 2014-2015. Since then, each and every member under ISA in the college, has been contributing towards innovation along with updating ourselves with new technology in Automation.

❖ **Events**

- AutoExpo Industrial Guided tour
- Automation Games
- ISA Cummins Orientation
- Guest session on Industrial communication protocol
- Session on Robotics project
- Poster Presentation
- FutureForge Conference
- E-Bike Donation Ceremony
- Expert Session On Networking Protocols and Internet QoS

9] **NSS Activities**

The NSS unit conducts various activities for students, staff, and society. Staff and students participated in these activities enthusiastically. The activities conducted in this year are summarized below:

| Sr. No. | Name of Activity | Date of conducti on | Short report |
|----------------|--|--|--|
| 1 | Dr. Ambedkar Jayanti Celebration | 14 th April 2023 | The National Service Scheme Unit of MKSSSS's Cummins college of Engineering for Women and Social Equity Cell celebrated Dr. Babasaheb Ambedkar's 132nd Jayanti on 14th April 2023. A lecture session organized on Indian Constitution. |
| 2 | World Environment Day | 5 th June 2023 | "World Environment Day" was celebrated with NSS volunteers, students, teachers and non-teaching staff. The objective of this celebration is to spread awareness among people about saving our environment from various types of pollution and to plant more and more trees to make green earth. |
| 3 | World Blood Donation Day Awareness | 14 th June 2023 | Celebrated "World Blood Donation Day" under "Azadi Ka Amrit Mahotsav". On this occasion the NSS team participated in the awareness campaign for Blood Donation through various social media. We all are given the ability to save someone's life and we must use it to bring smiles. "Stay fit and eat right and donate blood and save lives". |

15] Faculty Achievements :

Following is the list of some prominent faculty achievements in this year.

1. **Dr. Neeta Maitre** was awarded the Outstanding Faculty in Computer Engineering for her excellence in teaching and innovation in the discipline of Engineering on 15th July 2023 by Venus International Foundation, Chennai, Tamil Nadu.
2. **Dr. Rita Patil** was appointed as "Senior Advisor" at NSDC on 13th October 2023 by NSDC, New Delhi.
3. **Dr. Sunita Jahirabdkar** was felicitated by MathWorks on 20th February 2024 at CCEW, Pune.
4. **Mrs. Pranjali Deshpande** was awarded the Rajmata Jijau Gaurav Puruskar 2024 on 14th January 2024 at Balgandharv Rang Mandir.
5. **Dr. Dipti Patil** was invited as an academic representative to provide inputs on "Strengthen R&D and Skill Development for Industry Academia" for the Manthan brainstorming session on the Decadal Vision and Strategy for the Indian Space Sector by IN-SPACE, ISRO, Bangalore.
6. **Dr. Dipti Patil** received the Best Paper Award on 18th October 2023 at BITS Pilani, Dubai.
7. **Dr. Dipti Patil** received the Best Teamwork Award for team Vinidra in the CANSAT Competition, where she acted as Faculty Coordinator, from 15th to 17th April 2024, organized by IN-SPACE, ISRO.
8. **Dr. Supriya Kelkar** was felicitated as a recognized IEEE author for contributing 15 articles under the NDLI Club on 5th March 2024, sponsored by IEEE at CCEW.

9. **Mrs. Pranjali Deshpande** received the Punekar News Women Achievers Award 2024 on 24th March 2024, organized by the Ganaadhish Avirat Sewa Ani Sanwardhan Foundation.
10. **Dr. Sheetal Barekar** was awarded the Outstanding Women Researcher in Very Large Scale Integrated Circuits (VLSI) in March 2024 by Venus International Foundation, Chennai.
11. **Dr. Sheetal Barekar** received the International Outstanding Researcher of the Year Award for her specialization in VLSI and Embedded Systems in March 2024, at the International Congress for Research Excellence 2024 in Bangalore.
12. **Dr. Sharada Ohatkar** received an appreciation certificate for being an active SPOC for the SWAYAM NPTEL course from July to December 2023.
13. **Dr. Prachi Mukherji** received the Most Influential Teacher Award from the Dewang Mehta Foundation on 24th November 2023.
14. **Dr. Prachi Mukherji & Dr. Seema Rajput** received the Best Paper Award at ISVE for their paper presented at MCFI-2023 on 26th November 2023.
15. **Dr. Prachi Mukherji** made a remarkable contribution as an author to an IEEE publication organized by the Department of Library at CCOEW, Pune, on 5th March 2024.
16. **Dr. Ashwini Deshpande** secured the first rank in the Poster Competition organized during the workshop on “Explainable AI for Signal and Image Processing” from 4th to 9th December 2023 at PCCOE, Pune.
17. **Ms. Sandhya Potadar** received the Best Innovative Idea-Based Paper Award in Technical Session No. 10 for her paper "Sentiment Analysis using Machine Learning and Natural Language Processing for Product Rating" on 29th-30th November 2023.
18. **Dr. Revati Shriram** made remarkable contributions as an author to IEEE Publications on 5th March 2024.
19. **Dr. Nivedita Daimiwal** made remarkable contributions as an author to IEEE Publications on 5th March 2024.
20. **Dr. Revati Shriram** was the topper in the NPTEL Course on Ergonomics Research Techniques from July to October 2023.
21. **Prof. Manisha Narwane** received Top Performing Mentor Certificates for the period July to December 2023 from NPTEL.
