

PEIT 4201B Information Retrieval

Flipped Classroom

2022-23

Topic: Inverted Indexing

Description: To implement flipped classroom concept for the above mentioned topic

Students were asked to watch the video

<https://www.youtube.com/watch?v=1g00SP56iSE>

The video explained step by step creation of Inverted Index for the document.

Objective: The objective was to make sure students can understand step by step creation of Inverted Indexes for the given set of documents.

Impact: Students realised that once the algorithmic steps are understood for creation of Inverted Index then same can be repeated for any set of documents.
