

MKSSS's Cummins College of Engineering for Women, Pune, Signs Memorandum of Agreement with Binghamton University, USA

MKSSS's Cummins College of Engineering for Women (CCEW), Pune, is pleased to announce the signing of a **Memorandum of Agreement (MoA)** with **Binghamton University, State University of New York (SUNY), USA**, marking an important step toward strengthening international academic engagement and collaboration.

The MoA establishes a framework for cooperation in areas such as student mobility, faculty engagement, global learning opportunities, and innovation through international partnerships. The agreement reflects both institutions' shared commitment to providing students and faculty with opportunities for global exposure, academic enrichment, and cross-cultural learning.

The partnership is expected to foster meaningful academic engagement and strengthen ties between the two institutions, creating opportunities for students and faculty to gain global perspectives and collaborative learning experiences.

MKSSS's Cummins College of Engineering for Women, Pune, looks forward to building a strong and mutually beneficial relationship with **Binghamton University**.
